Trustees' Annual Report for the year ended 31 March 2020 (continued)

Objectives of the Trust

The objectives for which the Trust is established are to promote and encourage, either alone or in conjunction with others, the protection and preservation of historic, architectural and landscape heritage by any means, all for the benefit of the general public now and in the future. The main vehicle for this is the distribution of funding on conservation grant schemes and other heritage initiatives.

Trustee Appointment Policy

The Board seeks to maintain an even balance of skills at any time. Nominee trustees with relevant skills and experience are reviewed by the trust managers and Board. On appointment new trustees are provided with an induction pack detailing the work of the trust and their responsibilities as trustees under company law and other regulations. Induction and guidance is provided by the trust managers.

Organisation

The operations of the Trust are managed by the Trust Manager, Sonya Linskaill, with the assistance of the Office Manager, Julie Lonsdale. The Trust Manager has been assisted on grant and educational projects by an external consultant, Lindsay Lennie. Additionally, the Trust employs 3 staff who work directly on the Traditional Buildings Health Check project. In January 2020 Sonya Linskaill took a 1 year career break and Lindsay Lennie took up post as Trust Manager until December 2020.

Funding Sources

The Trust's principal funding source is in the form of grants from Historic Environment Scotland (HES). The initial funding was provided in terms of a letter from HES to the Trust dated 5 September 2006. The current funding award covers the three-year period to 31 March 2021. The grants are to be applied in furtherance of the Trust purposes and are subject to the conditions of the HES Offer of Grant. Stirling Council also provides an annual revenue grant of £25,000. From April 2013 to March 2018 the Trust received funding from HES to deliver the pilot initiative Traditional Buildings Health Check Scheme. Funds from HES for the continuation of this initiative during 2018-19 were received under the Trust's Business Plan 2018-21, and further funds for 2019-20 have been awarded by HES's Conservation Directorate.

Reserves Policy

It is the policy of the trustees to maintain unrestricted funds, which are the free reserves of the Trust, at a level which equates to approximately 3 – 6 months of unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs. Unrestricted funds are currently within that range.

Investment

The trustees have the power to deposit or invest sums in any manner, providing the powers are exercised only in promoting the charitable objectives of the Trust.

Risk Management

From time to time the trustees examine the major strategic, business and operational risks which the charitable company faces and confirm that systems are in place to enable identification of these risks. Risk issues are addressed at regular board meetings and all necessary steps are taken to lessen those risks whenever possible.

The Trust holds a Risk Register as part of general governance. The major risks to the Trust are the dependence on principally a single source of funding (HES), and a small staff team where absences or resignation may have a significant impact on operations.

**STIRLING CITY HERITAGE TRUST
(A COMPANY LIMITED BY GUARANTEE)**

Trustees' Annual Report for the year ended 31 March 2020 (continued)

Related Parties

In 2019 the Trust reviewed its Memorandum and Articles. As a result of this review it is no longer a requirement that Stirling Council nominates two trustees to the board. However, the Trust retains a close working relationship with Stirling Council and receives funding from the Council to further the aims and objectives of the Trust.

Review of financial position

In addition to the unrestricted funds in reserve at the end of the financial year the Trust held £76,715 in restricted reserves for a number of grant initiatives. Refer to Note 11 for detail.

Plans for the future

As part of the Historic Environment Scotland (HES) overall review of its grant funding distribution, a review of all City Heritage Trusts was undertaken in 2016 by Jura Consultants. Thereafter, in July 2017, it was confirmed that the HES Board had approved funds for the City Heritage Trusts for 2018-2021. As a result, a funding application was made in November 2017 which comprised a Business Plan and Evaluation Plan. HES issued a formal Offer of Grant on 10th August 2018 in the sum of £935,000 for the period 1st April 2018 to 31st March 2021. In June 2019 the Conservation Directorate of HES awarded £100,000 from April 2019 – March 2020 for continuation of the Traditional Buildings Health Check initiative run by the Trust.

Trustees' responsibilities in relation to the financial statements

The trustees (who are also directors of Stirling City Heritage Trust for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We, the directors of the company who held office at the date of approval of these Financial Statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- we have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

STIRLING CITY HERITAGE TRUST

(A COMPANY LIMITED BY GUARANTEE)

Independent Auditor's Report to the trustees and members of Stirling City Heritage Trust

Opinion

We have audited the financial statements of Stirling City Heritage Trust (the 'charitable company') for the year ended 31st March 2020 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report

STIRLING CITY HERITAGE TRUST

(A COMPANY LIMITED BY GUARANTEE)

Independent Auditor's Report to the trustees and members of Stirling City Heritage Trust (continued)

Matters on which we are required to report by exception (continued)

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the trustees' report from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

William J Russell (Senior Statutory Auditor)

**For and on behalf of Dickson Middleton, Chartered Accountants, Statutory Auditors,
20 Barnton Street, Stirling. FK8 1NE.**

Dickson Middleton is eligible to act as an auditor in terms of section 1212 of the Companies Act 2006.

STIRLING CITY HERITAGE TRUST
(A COMPANY LIMITED BY GUARANTEE)
Notes to the Financial Statements
for the year ended 31 March 2020

1. Accounting Policies

The principal accounting policies adopted in preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared under the historic cost convention and in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Companies Act 2006 and the requirements of the Charities SORP (FRS102).

The financial statements have been prepared using pounds sterling, the functional currency of the Trust.

The Trust meets the definition of a public benefit entity under FRS102.

Assessment of going concern

The Trustees secured a funding commitment from Historic Environment Scotland (HES) in August 2018 for the three-year period ending March 2021. Due to the COVID crisis this has been extended for one year until March 2022 and an application has been made for funding for the period to March 2025. The Trustees are confident this application will be successful and as a result continue to use the going concern basis in the preparation of the accounts. Stirling Council has also confirmed its ongoing commitment of unrestricted funds.

Fund structure

Unrestricted funds comprise accumulated surpluses or deficits on general funds and they are available for use at the discretion of the trustees in furtherance of the objectives. Designated funds are unrestricted funds that the trustees, at their discretion, have set aside for particular purposes.

Restricted funds are created when funds are received for a particular purpose, the use of which is restricted to that area or purpose. The related expenditure is charged to the statement of financial activities when incurred. Further details of each fund are provided at Note 11.

Incoming resources

All incoming resources are recognised once the company has entitlement to the resources, it is probable that the resources will be received and the monetary value can be measured with sufficient reliability.

Resources expended

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charitable company to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all the costs related to that category.

Costs are allocated between restricted and unrestricted funds on a basis designed to reflect the usage of the resource.

Allocation of overhead and support costs

Overhead and support costs have been allocated between charitable activity and governance as detailed in Note 4.

Governance costs comprise costs involving the public accountability of the charitable company and its compliance with regulation and good practice. These costs include costs related to statutory audit together with an apportionment of support costs.

Reserves policy

The company needs reserves because it is very dependent on discretionary grants from third parties and there may be delays between expenditure being incurred and receipt of the related income. The trustees seek to maintain operating surpluses, as appropriate, to develop and maintain sufficient reserves to fund planned expenditure.

Tangible fixed assets

Depreciation is provided on tangible assets at rates calculated to write off the carrying value, less residual value, of each asset over its expected useful life as follows:

Plant and machinery - 15% per annum on reducing balance

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

STIRLING CITY HERITAGE TRUST
(A COMPANY LIMITED BY GUARANTEE)
Notes to the Financial Statements
for the year ended 31 March 2020

1. Accounting policies (continued)

Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid bank deposits with a maturity of twelve or less months from the date of acquisition or opening the deposit or similar account.

Creditors

Creditors are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Grants receivable

	2020	2019

11. Movements in funds (continued)

Restricted fund purposes:

SCHT Business Plan 2018-21

Under this business plan funding that was unrestricted under earlier Historic Environment Scotland Offers of Grant and was applied in operating the Trust is now incorporated within restricted funds. This includes all staff costs and the running of the SCHAT office, governance, insurances etc.

TBHC Expansion

This fund is to reimburse SCHAT staff costs and expenses in support to HES in its ongoing investigation of development of the Traditional Buildings Health Check.

Façade Enhancement Scheme (FES)

In line with previous Stirling Council permission the remaining funds have been allocated to the King Street Funding Initiative. A small contract retention remains.

Traditional Buildings Health Check - TBHC

For the period to March 2020 this scheme is funded by grants from HES and fees charged to scheme members. The resources are applied to meet operational costs of running the scheme.

King Street Funding Initiative

This was an ongoing funding initiative over 6 years (2012 – 2019) to comprehensively repair a number of properties in King Street and the surrounding area. The fund includes grants from HES and reallocated FES funds. The first funds were drawn down from Historic Environment Scotland for 2012–2015, with final funds drawn down from the 2015-18 Offer of Grant at March 2018. During the year the initiative disbursed grant funds to assist in property repair and enhancement. Funds were expended during 2019-20 on projects but, due to Covid-19 restrictions, some projects were not either completed or in progress as planned by 31 March 2020. These will be completed during 2020-21 as restrictions ease.

Education & Outreach Projects

This fund consisted of educational events, training related to traditional skills and materials. Three events were held at High Schools in Stirling to give pupils the opportunity to try out a variety of traditional skills. An event held in March at Bannockburn High School, Women in Construction, focused on female pupils.

Traditional Buildings Repair Grant

This scheme is intended to support the repair of TBHC member properties.

General fund

This fund consists of both historic surpluses that are maintained at agreed levels under the Trust's Reserves Policy; unrestricted income of £5,000 from Stirling Council that is not designated to other Funds; and also subscriptions and inspection etc. fee income from the Traditional Building Health Check initiative.

Designated fund purposes:

Traditional Buildings Repair Grant

This scheme is intended to support the repair of TBHC member properties. During the year £27,213 was disbursed by way of grants for that purpose. £20,000 of unrestricted Stirling Council grant was designated to this fund for 2019-20.

Notes to the Financial Statements
for the year ended 31 March 2020 (continued)

11. Movements in funds (continued)
King Street Funding Initiative

Funding has been set aside from revenue grants received to supplement the restricted grant funding received from Historic Environment Scotland for this initiative.

During the year the initiative distributed grant funds to assist in property repair and enhancement.

Unrestricted funds not allocated at 31 March 2020 will be carried forward for use in the next period in line with the city centre economic and enhancement aims of the fund.

Project fund

These funds have been designated to fund one-off projects that may arise.

12. Capital Commitments and Contingent Liabilities

There are capital commitments of grant funds allocated but not yet distributed at 31 March 2020 in the sum of £76,715.

The funding received from Historic Environment Scotland is subject to claw back in the event that it is not applied in accordance with the grant award terms.

13. Leasing commitment

The company entered into a three-year lease of its premises from November 2019. Future costs for rent and service charges amount to £25,265.

The company entered into a three-year lease for a printer effective from November 2019. Future rentals amount to £2,294.

14. Related Party Disclosures

During the period Stirling Council awarded a revenue grant of £25,000 (2019 - £25,000). Costs recharged by Stirling Council in relation to the Trust Manager's salary and expenses were £47,203 (2019 - £55,431). Creditors include £21,259 (2019 - £31,728) for these costs.

15. Ultimate Controlling Party

The Trust is under the control of the trustees who are also the directors of the charitable company.

16. Company Limited by Guarantee and not having Share Capital

The Trust is a company limited by guarantee and does not have share capital. In accordance with the Memorandum and Articles of Association every member of the Trust undertakes to contribute such amounts as may be required, not exceeding £1 each, to the assets of the Trust in the event of the Trust being wound up while being a member or within one year after ceasing to be a member. Such contributions would be towards the costs, charges and expenses of winding up the Trust and for adjustment of the rights of the contributions among themselves. The Trust had 8 Trustees at 31 March 2020.

17. Reconciliation of net movement in funds to net cash flow from operating activities
